

# Primary 5 Vocabulary Words to Teach

## Introduction

As Primary 5 students in Singapore approach a critical phase in their education, expanding their vocabulary becomes increasingly important. A strong vocabulary is essential not only for excelling in English Language exams but also for improving comprehension across all subjects. The ability to understand and use a wide range of words allows students to express themselves more effectively, engage in higher-level thinking, and tackle more complex reading materials. This list of 200 carefully selected vocabulary words is designed to equip Primary 5 students with the language tools they need to succeed academically and develop a deeper understanding of the world around them.

Here is a list of 200 vocabulary words suitable for Primary 5 students in Singapore, organized into four columns:
