Fencing retrieval loop

- 1. Meaning:** Explain the word in plain language and distinguish it from a nearby word.
- 2. Phrase:** Pair it with natural neighbours or a useful sentence pattern.
- 3. Sentence:** Use it accurately without changing the facts to fit the word.
- 4. Paragraph / oral:** Reuse selected words in a fresh paragraph, explanation, discussion or essay.
- 5. Delay and retrieve:** Close the list. Return later. Repair the words that disappear.
- 6. Transfer:** Use the word in a new topic or text without a prompt.

Use rule: Advanced vocabulary means more precise and transferable language, not the longest word available. Stop at natural, accurate use.
